After a \$1.8 million renovation, Larry North Fitness is proud to unveil its 38,000-square-foot Solana Club facility. The state-of-the-art health club, located at 2902 Sams School Road in Westlake, offers the best in full-service health and wellness amenities. You can expect to find all

the latest in high-tech equipment in a modern and energized atmosphere.

Get a look at the grand-opening celebration February 10 from 5 to 7:30 p.m. There will be cocktails and light bites, plus a tour of the property. For anyone wishing to join the club, there will also be new membership specials that evening. RSVP by calling 817.430.0038.

“After 35 years in the business, I believe that the Solana Club is the crown jewel of my career. From the size of the facility, the amenities we are offering, location, members and, of course, my staff, the Solana Club marks my greatest achievement since building my first club in 1989,” said Larry North, founder of Larry North Fitness, via press release.
