The initial phase of a massive North Texas campus for financial giant Charles Schwab & Co. (NYSE: SCHW) started Tuesday with an official groundbreaking ceremony. It will house 2,600 employees when finished in 2019, with enough room to accommodate 5,000 employees. The Westlake campus will become a major employment hub for Charles Schwab. "We're very optimistic about where we're headed as a company and our future here in Texas." Dallas Business Journals
