

# WALKING WESTLAKE

Take a walk along Westlake's 10+ miles of public/private connected trails and you'll see why Scenic Texas rates Westlake a Gold Level Scenic City. Westlake's public trails wind through open spaces and follow a wooded creek bed through a 13-acre open space park in the Glenwyck Farms and Terra Bella neighborhoods. The scenic trails along our roadways reveal picturesque landscapes that evoke the natural beauty of Texas and the oasis feel of our Westlake community.

Here are a few scenic walks to be enjoyed by Westlake residents and visitors:

- Dove-Davis Trail (8.4 mile) – One way from Westlake Academy to the trailhead on Davis Blvd.
- Solana Trail (3.3 mile loop) – Starting point at three locations (see map)
- Granada Trail (1.3 mile loop) – Starting point at the Davis Blvd. trailhead
- Glenwyck Trail (1.5 mile loop) – Starting point at Fair Oaks Dr. trailhead

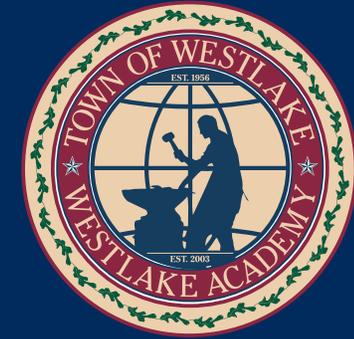

**Trailhead locations:** Sams School Rd. at Terra Bella Dr., Trace Bella Court, Fair Oaks Dr., east side of Davis Blvd. between Solana Blvd. and Dove Road, and Westlake Academy (which is open to the public after 5 p.m. Monday - Friday and dusk to dawn Saturday and Sunday).

**Stone shade structure locations:** Both east and west side of Davis between Solana Blvd. and Dove Road.

**Pedestrian underpass locations:** Davis Blvd. south of Sabine Drive and Dove Road west of Blue Sky Road.
