Submittal Policy

Upon completion of a pre-application conference with town staff, application is due no later than 12:00pm on the application submittal deadline. All required fees, forms and supporting documents are due at the time of application submittal. Incomplete applications and/or application submitted without a prior pre-application conference will not be accepted.

All applications shall not be considered filed, and administratively complete, until town staff, including the Development Review Committee (DRC), determines that the application meets all requirements of applicable town regulations and/or all DRC comments have been addressed. Applications will not be scheduled for consideration by the Planning and Zoning Commission and the Town Council until all comments have been addressed and required items submitted. Therefore, meeting consideration dates on the [Development Review Calendar](#) are merely shown as guidelines and are subject to change for any given application pending the filing date and determination of administrative completeness by town staff for said application.

Any development related application, including any revisions responsive to staff comments, shall NOT be accepted at the front counter. Application and revisions will only be accepted through a **pre-scheduled** appointment with a pertinent member of Town development review staff. The purpose of the appointment requirement is to ensure all required items are included and/or addressed prior to acceptance by the Town.
